

## Highway 48 Linear Park

**DATE:** WEDNESDAY, SEPTEMBER 23, 2015  
**TIME:** 7:00 p.m.  
**LOCATION:** MARKHAM VILLAGE COMMUNITY CENTRE - BOARDROOM  
6041 HIGHWAY 7, MARKHAM, ON, L3P 3A7

A community information meeting will be held to discuss the proposed design of a linear park envisioned for the land to the East of Main St. S and South of the Markham Village Library.

City staff and the City's consultant will present the conceptual design for the park. The conceptual design will include seating opportunities, planting beds, shade trees, and a landscape buffer.

We will then **seek your input** on the conceptual design and your thoughts on how your community will benefit from the proposed green space. Following this meeting, the park design will be refined and working drawings will be prepared. The construction contract will be tendered and construction is anticipated to begin early 2016.

Your attendance and participation in this evening discussion is very important and much appreciated. Please plan to attend in order to share your ideas.
